

LIPOKON™ BERBERINE

THE BRILLIANT BERBERINE

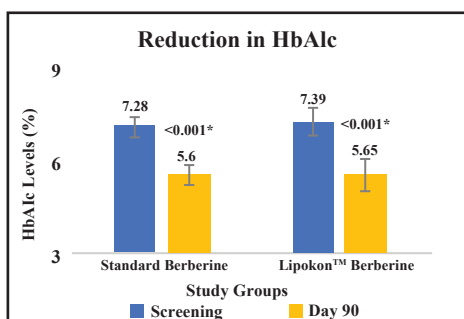

DUAL MANAGEMENT OF BLOOD SUGAR & BODY MATRIX

LIPOKON™ BERBERINE is a proprietary brand of Konark Herbals and Healthcare, produced from the roots of *Berberis aristata*.

LIPOKON™ BERBERINE is a scientifically validated, liposome-encapsulated formulation that has been found to be around **Three times more effective than Standard Berberine** through an extensive **Clinical Trial on 86 Type 2 Diabetes patients for 90 days**.

A brief take - through into the Product USPs & Clinical findings is as below.

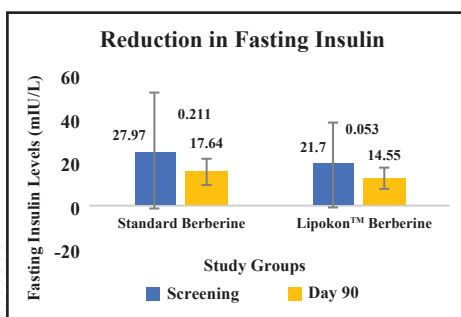

MANAGEMENT OF BLOOD SUGAR

Remarkable Glycemic Results

By Day 90, **LIPOKON™ BERBERINE** group showed significant HbA1c reductions:

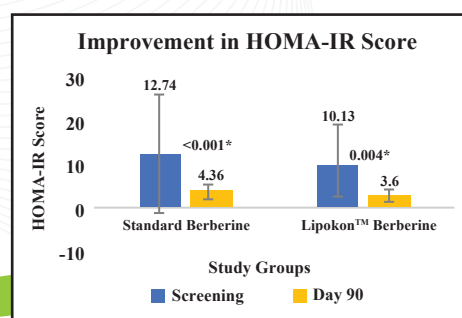

LIPOKON™ BERBERINE demonstrated strong potential in improving blood sugar control, with many participants moving from diabetic to Pre-diabetic range at 30% of the dosage of Standard Berberine.

Reduction of Fasting Insulin Levels

The reduction in fasting sugar by Day 90, in the **LIPOKON™ BERBERINE** group has been comparable to Standard Berberine.

The results highlight **LIPOKON™ BERBERINE** strong impact on insulin resistance and blood sugar control at 30% of the dosage of Standard Berberine.

Enhanced Insulin Sensitivity

By Day 90, HOMA-IR values dropped significantly:

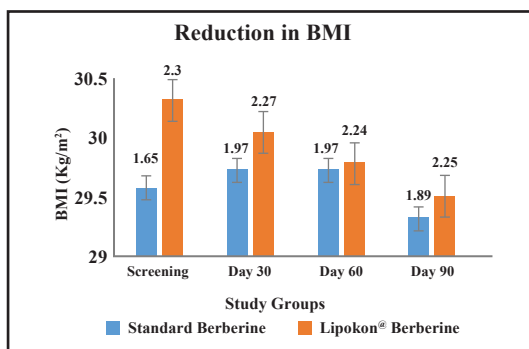

LIPOKON™ BERBERINE demonstrated strong, comparable improvements in Insulin Resistance in just 30% dose of Standard Berberine

LIPOKON™ BERBERINE

THE BRILLIANT BERBERINE

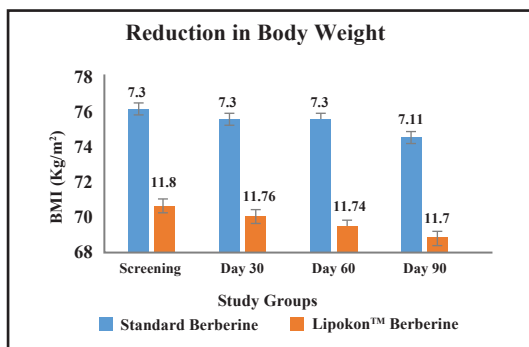

DUAL MANAGEMENT OF BLOOD SUGAR & BODY MATRIX

MANAGEMENT OF BMI & BODY WEIGHT

LIPOKON™ BERBERINE offers healthier BMI profile

LIPOKON™ BERBERINE outperforms Standard Berberine in reducing BMI over a 90 days period at 30% of the dose of Standard Berberine.

LIPOKON™ BERBERINE outsmarts Standard Berberine in terms of reducing Body Weight on the 90 days study period...

By delivering, at just 30% dose, a more consistent and effective reduction in average body weight compared to the Standard Berberine.

LIPOKON™ BERBERINE emerges as a promising natural therapy for the Effective Management of both Blood Sugar & Body Matrix.
